

## Wednesfield High Specialist Engineering Academy

### Catch up Sessions Week beginning 13<sup>th</sup> February to 7<sup>th</sup> April 2017.

In order to support you in the run up to your GCSE exams subject staff will be running a number of lunchtime and after school sessions to ensure that you are fully prepared. These sessions might include helping you with your revision, it might be a taught session or it might be ensuring that your coursework is complete and to the highest standard it can be.

It is vitally important that you attend the sessions that are appropriate to you.

The table below shows all the sessions on offer in the academy. You will also receive a personalised copy of the sessions you need to attend.

The list will be updated as new catch up sessions are offered by your teachers.

	Lunch	After school
<b>Monday</b>	Drama: Drama Studio  Geography: D254  Product Design: S127	<b>Twilight sessions- numerous subjects.
